Solutions available now
and into the future

Sustainable House Day

200 houses
29,000 visitors

What are consumers asking about?

78% Windows and window treatments

75% Building materials

74% Insulation

72% Building designs

68% Heating

65% Solar

60% Cooling

What do we recommend to consumers?

- Retail switching
- Seal and insulate
- Energy efficient appliances
- All-electric homes
- Solar (if you have the roof space)

What we need to talk more about?

- Operational costs
- Health
- Consumer education and empowerment

We have the
solutions

But we need

Regulation
Incentives
Consumer education
